

Red Light, Green Light Game Pattern

DIRECTIONS

Traffic Light Craft: Paint (use sponges, fingers, paint brushes, cotton swaps, etc.) or color the rectangle black and the three circles red, yellow, and green.

Traffic Light Craft or Wall Traffic Light:

Either use the circle patterns or cut them out onto white or creme paper. Glue them onto a 12x4 1/2 inch piece of black construction paper. Paint the circles according to the above craft instructions.

Red Light, Green Light Game: Cut the above pattern out onto red and green paper. Glue the circles together. Laminate. Play *Red Light, Green Light*.
